USAGE AGREEMENT

NexTenders (India) Private Limited as the Service Provider provides an electronic government procurement software system and related services through which the Municipal Corporation, Gurgaon, Government of Haryana (the "Buyer") and the Buyer's Contractors / Vendors / Suppliers ("the Bidders") can establish an electronic platform for the tender, purchase, auction, reverse auction, etc. ("the Transactions") of projects, works, goods and services ("the Products"). These services are accessible through the web site ("the Portal"), located at <http://mcr.etenders.in>.

This Usage Agreement and the [Privacy and Confidentiality Policy](#) govern each Bidder's use of the Portal and participation in the Transactions, and, together, constitute the "Terms and Conditions." By signing a hard copy of the form and faxing it to the number indicated or by continuing to use this web site, each Bidder accepts and is legally bound by the Terms and Conditions. Continued access to the Portal and its services, including without limitation all licenses granted hereunder, is subject to compliance with the Terms and Conditions and any breach of the Terms and Conditions will be pursued by legal action to the fullest extent possible.

The Terms and Conditions, including the Usage Agreement and the Privacy Policy, may be modified at any time without notice and any such modification shall be effective immediately upon posting. By assenting to these Terms and Conditions, Bidders agree to periodically review the Terms and Conditions and be bound by any modifications or amendments thereto.

Bidders that have any questions about the Terms and Conditions are invited to [contact the Service Provider](#).

1. Bidders; Warranties

Through the platform provided by NexTenders (India) Pvt. Ltd., Bidders can participate in the Transactions with the Buyer.

USERS OF THE PORTAL REPRESENT AND WARRANT THAT THEY (1) ARE DULY AUTHORIZED TO CONSENT TO THESE TERMS AND CONDITIONS ON BEHALF OF THEIR RESPECTIVE COMPANIES; (2) CAN FORM LEGALLY BINDING CONTRACTS UNDER APPLICABLE LAW; (3) HAVE THE RIGHT TO GRANT THE INTELLECTUAL AND INFORMATIONAL PROPERTY RIGHTS AT ISSUE UNDER THIS AGREEMENT, AND THAT SUCH GRANTS DO NOT INFRINGE THE RIGHTS OF ANY THIRD PARTY; AND (4) ARE COMMERCIAL BUSINESSES, NOT CONSUMER VENDORS, FOR PURPOSES OF USING THIS PORTAL.

2. User IDs, Passwords and Digital Certificates

User IDs, Passwords, and Digital Certificates are confidential and proprietary. It is a violation of the Terms and Conditions for a User to disclose its Password or share its User ID, Password, or Digital Certificate with any unauthorized third parties, or to use its User ID, Password, or Digital Certificate for any unauthorized purpose. Each User, and not the Service provider, is solely responsible for any unauthorized use of User's ID, Password, or Digital Certificate.

3. Transacting on the Portal

Transactions on the Portal are governed by the Terms and Conditions. The specific terms and conditions of each Transaction (such as pre-qualification criteria, technical requirements, pricing, warranties, delivery, etc.) entered into through the Portal are established between the Buyer and the Bidder. The Portal is a venue through which the Buyer and the Bidders can transact. The Buyer decides with whom to do business.

4. No warranty

BY ASSENTING TO THESE TERMS AND CONDITIONS, BIDDERS ASSUME ANY AND ALL RESPONSIBILITY AND RISK OF USE OF THE PORTAL AND ANY PRODUCTS OR SERVICES CONTAINED THEREIN. NEXTENDRS (INDIA) PVT. Ltd. AND ITS SUPPLIERS PROVIDE THE PORTAL AND SERVICES "AS IS" AND "AS AVAILABLE," WITHOUT ANY WARRANTY OR CONDITION OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY. THE SERVICE PROVIDER AND ITS SUPPLIERS EXPRESSLY DISCLAIM ANY WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO, (A) THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT; (B) THAT SERVICE WILL BE CONTINUOUS, UNINTERRUPTED AND/OR ERROR-FREE; (C) AS TO THE QUALITY, IDENTITY OR RELIABILITY OF ANY BUYER OR SELLER AND WHETHER ANY USER SHOULD DO BUSINESS WITH SUCH BUYER OR SELLER; AND (D) AS TO THE ACCURACY OF ANY INFORMATION MADE AVAILABLE ON OR THROUGH THE PORTAL BY OR ON BEHALF OF ANY SELLER OR BUYER.

5. Transaction Fees

Bidders agree to pay the applicable registration, transaction, service, document, and/or submission fees ("the Fees"), as the case may be, for any transaction on the Portal regardless of whether or not such transaction is actually consummated. The Fees will be due to the Buyer, as the case may be, upon demand by the Buyer. In the event a User fails to pay all amounts due, such unpaid amounts shall be deemed "overdue" and interest will accrue on such overdue amounts at a rate of one and one-half percent (1.5%) per month or part thereof, or the maximum amount allowed by law, whichever is less. Bidders are responsible for paying all applicable taxes and all hardware, software, services and other costs and expenses incurred to access information or conduct transactions over the Portal. Failure of any party to consummate a transaction does not relieve the obligation to pay the Fees due for such unconsummated transaction.

6. Good Faith and Fair Dealing

Each User hereby agrees to act in accordance with the principles of good faith and fair dealing when transacting on or through the Portal. NexTenders (India) Pvt. Ltd. reserves the right to investigate any allegation or evidence of any User's failure to abide by the principles of good faith and fair dealing in connection with its use of the Portal, and to fashion and enforce remedies, in its sole but reasonable discretion, in order to address any violation of such principles. For example, but not by way of limitation, it is a violation of a User's agreement to act in accordance with the principles of good faith and fair dealing to initiate transactions on the Portal for the purpose of identifying potential buyers or sellers with whom such User can negotiate off the Portal. Similarly, each User agrees not to manipulate the terms of a transaction for the purpose of reducing the transaction fee owed. If a User engages in such activity, said User will be liable to pay to NexTenders (India) Pvt. Ltd the applicable, appropriate transaction fee and will be subject to such other sanctions as NexTenders (India) Pvt. Ltd. may determine as appropriate under the circumstances, in its sole but reasonable discretion.

7. Information posted on the Portal

The Portal may contain news and information published by various third party providers, some of which may contain facts, views, opinions, analyses and recommendations of individuals and organizations deemed of interest. The Service provider does not guarantee the accuracy, completeness, or timeliness of, or otherwise endorse these views, opinions, analyses, or recommendations. Bidders assume sole responsibility and risk for use of such content.

The Portal may contain links to third party websites not under the control or operation of the service provider. The service provider provides links only as a convenience and does not endorse, and is not responsible for the contents of, any linked site. Bidders assume sole responsibility and risk for use of such third party links.

Each User's postings to the Portal are the sole responsibility of the User. Each User hereby acknowledges and agrees that the Service provider has no obligation to monitor Portal content or third party links, and expressly disclaims any responsibility of the Service provider to filter any such content. However, the Service provider reserves the right to take any action with respect to information posted on the Portal that the Service provider deems inappropriate in its sole discretion, including but not limited to the immediate removal of offensive or harmful content, or suspension or termination of any User's rights of use. Bidders shall not post information on the Portal that is, or offer Products or services for sale that are:

- fraudulent or related to the sale of counterfeit or stolen items;
- infringing of any third party's rights, including but not limited to copyright, patent, trademark, trade secret, or other proprietary rights or rights of publicity or privacy;

In addition, Bidders may not link directly or indirectly to, or include descriptions of, Products (1) that are prohibited by this Usage Agreement or the fruits of such prohibited Products, or (2) to which the User does not have the right to link or include. Bidders must obtain the Service provider's express permission to link this Portal to their web sites. Furthermore, Bidders may not post to the Service provider or sell through the Portal any Product or service that could cause the Service provider to violate any applicable law, statute, ordinance, or regulation of any jurisdiction.

As a convenience to Bidders, the Service provider may identify various companies that provide payment, security, inspection, financial, insurance and other services, and the Service provider may, from time to time, provide access to these services directly from the Portal. Additionally, the Service provider may provide Bidders with introductions to or marketing information on behalf of providers of certain products and services. All such parties shall constitute "Third Party Providers". The Service provider will not be a party to any agreement between a User on the one hand and a Third Party Provider on the other hand, or play a part in any negotiations between the parties involved. The Service provider may, however, receive a commission, or other remuneration from Third Party Providers based on the provision of such services, access, introductions, or information to Bidders.

8. Compliance with Laws

Each User shall comply with all applicable laws, statutes, ordinances and regulations regarding the use of the Portal, bidding on or purchase of merchandise, and posting and retrieval of information (including without limitation those governing export control, unfair competition, antitrust, cartelisation,

government/public sector procurement, or false advertising). Each User hereby acknowledges that the Service provider has an express policy of complying with Government and Competition laws, in particular with respect to Government and Public Sector procurement rules, and that the operation of the Portal is not intended to facilitate collusion or other illegal agreements among competitors. Accordingly, each User hereby represents and warrants that it does not intend to and will not use the Portal to violate Competition laws or Government/Public Sector procurement rules and will not knowingly act as a conduit or intermediary for price-fixing or any other anti-competitive agreement among competitors.

The Service provider Information shall not be specific or identifiable to any particular User. Bidders will have no ownership interest in or right of access to the Service provider information.

So that the Service provider does not violate any rights a User has in its User Information, each User hereby grants to the Service provider a non-exclusive, worldwide, perpetual, irrevocable, royalty-free, sub-licensable (through multiple tiers) right to reproduce, transmit, distribute, and publicly display such information, and create derivative works from such information, in connection with the operation of the Portal, and the Service provider's marketing, publicity and advertisement thereof in any form and media now known or currently unknown. User Information will be used in accordance with the then-current Privacy and Confidentiality Policy, incorporated herein by reference. Bidders agree not to invade another User's privacy, including, but not limited to, the breach or attempted breach of the security of another's computer,

software or data. Use or distribution of tools designed for compromising privacy or security is strictly prohibited.

12. License

Subject to the Terms and Conditions, the Service provider hereby grants each User a personal, non-transferable, non-exclusive, non-sub-licensable license to use the software and the user interface for viewing and otherwise using the Portal and its services in accordance with the Terms and Conditions, and for no other purpose. All rights, title and interest in and to the software, user interface and content made available from, on or through this Portal shall belong to the Service provider or its third party providers or suppliers, including all modifications thereof and enhancements thereto. The software and user interface made available from, on or through this Portal may not be copied, modified or distributed by Bidders, nor may derivative works be prepared therefrom.
